

Wednesday 3rd June

WALT use the book to plan alternative ideas

Success Criteria

complete a table with ideas

Listen to the story here:

<https://www.youtube.com/watch?v=nzK6eLbiFt4>

When Henry first starts eating the books he becomes seemingly very intelligent and like he knows lots of information. However, when he starts to eat too many, and he does not take in or understand what he is reading he begins to start talking nonsense! Later in the week you will be creating your own versions of the story.

Task 1

Think about alternative things your character could to eat.

What your character eats	What happens at first	What happens eventually...
