

Thursday 17th July

WALT: write about ourselves

Continue to write your All About Me!

Today you can write a few sentences about your special place. Your special place is somewhere where you feel happy, safe and peaceful. We like to think of our special places when we feel worried or anxious because it makes us feel calm.

Eg My special place is in the woods **because** I love hearing the sound of the birds tweeting and the leaves rustling. I like seeing the different shapes of the leaves of the different trees **and** pretty flowers peeking out from the ground. When I look up I love to gaze at the blue sky and the floating clouds.

### Success criteria

- As much information as possible
- Colourful and eye catching
- Use **conjunctions to explain reasons**
- Punctuation

Can you prepare a piece of writing All about you for your next teacher?

Over the week we would like you to create a poster that has the following information:

- A picture of you
- What you like to do (hobbies)
- Your favourite book and why
- What you don't like and why
- What your favourite subject is and why
- What you would like to improve on next year (two targets for yourself)
- You can also add any other facts you think represent you (favourite film, colour, pets, languages spoken, about your friends)

Make it **eye catching and bright** and you can present it however you like!

We really would love to see your posters/factfile/presentations on padlet. We know they will make us smile as we have been missing you all so much!
