WALT subtract 100s

Success Criteria	Pupil
I can subtract numbers mentally, including: a three-digit number and ones, a three-digit number and tens, a three-digit number and hundreds.	😊 😐 😞

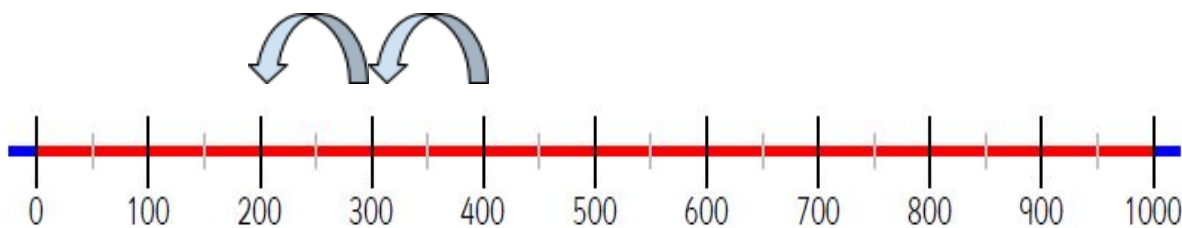

So far this week we have had a go at adding 100s. Today and tomorrow we are going to move on to **subtracting 100s!**

Again, we can use different methods! Choose the one that works for you.

Question

400 - 200

Method 1 - Number line

$$400 - 200 = 400$$

Method 2 - Base 10 equipment

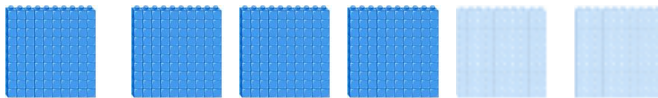

Hundreds	Ones	Tens
2	0	0

You could also use place value counters.

Your turn!

1. $800 - 300$
2. $400 - 100$
3. $700 - 500$
4. $600 - 300$
5. $600 - 500$
6. $900 - 800$
7. $300 - 100$
8. $200 - 100$
9. $400 - 300$
10. $800 - 200$

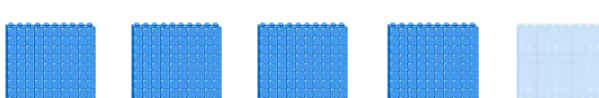

Complete the subtractions shown below:

11. 

$$600 - \square = \square$$

12. 

$$800 - \square = \square$$

13. 

$$500 - \square = \square$$

14.

$$600 - \square = \square$$

15.

$$700 - \square = \square$$

Answers

1. $800 - 300 = 500$
2. $400 - 100 = 300$
3. $700 - 500 = 200$
4. $600 - 300 = 300$
5. $600 - 500 = 100$
6. $900 - 800 = 100$
7. $300 - 100 = 200$
8. $200 - 100 = 100$
9. $400 - 300 = 100$
10. $800 - 200 = 600$
11. 400
12. 300
13. 400
14. 300
15. 200
