This week we are using a new style of maths taken from a website called White Rose. Each lesson will have a series of links that will take you to videos, worksheets and answer sheets.

This week we will be focusing on Mass.

### Topic

Instead of individual topic lessons every week, you will now for the rest of the term have a variety of fun and exciting home learning ideas to choose from. They are based around what you are learning in different topic lessons this term. You can choose any one that you want and focus on it for as long as you need to. They do not all have to be completed in your purple book. Not all of them are to be completed in one day as we want you to take your time and have fun creating them. Be creative and use your fantastic imaginations. You are welcome to take pictures of your fantastic learning and upload them onto the padlet for everyone to see. Enjoy!

Topic- 1 hour
