WALT Write the ending to a story

The excerpt from this story leaves us on a cliff-hanger! What was the creature? Did she leave the sea? Was she safe? You will need to write what you think would have happened next. I would love to read your ideas, remember that you can upload your work to Padlet! Good luck.

The Little Mermaid

The little sea-princess shrank back into the sea until just her eyes and the top of her head peeped out above the surface of the water. She looked as sleek as a seal, bobbing there in the waves, with her hair wet against her skull. She held her breath and watched with a fast-beating heart as the creature drew ever closer.
