WALT calculate quantities

Let's warm up with TT rockstars

first...are you ready? Are you steady? It's time for TT Rockstars!

Please log in for your daily practise.

Task 1

Watch the clip below to gain more understanding on how to calculate quantities.

<https://vimeo.com/420690130>

A video player interface showing two math problems. Problem 3) asks for 3/7 of 7, with a number line array of 7 boxes and a bracket under the first 3 boxes. It shows the calculation 3 ÷ 3 = 1 and 1 × 7 = 7. Problem 4) asks for 6/6 of 48, with a number line array of 6 boxes each containing the number 8, and a bracket under the entire array. It shows the calculation 48 ÷ 6 = 8 and 8 × 6 = 48. The video player includes a play button, a progress bar, and a 'More from Wh' section with an 'Autoplay no' toggle.

Year 4 - Week 6 - Lesson 4 - Calculate quantities

Task 2

Copy and complete the questions in your purple books. Remember to watch the video again to help you answers the questions.
