WALT write expanded noun phrases.

Today you are going to write expanded noun phrases to help someone find the objects in the picture below!

Pick an object and write a sentence in your book to describe it.

E.g. Can you find the small rubber duck with the orange beak?

Then write a clue about it's location in case the person cant find it

E.g. It is next to the colorful globe.

Do this for 5 objects.

Now read them to someone, can they use your information to help them find the person or object?

You could also write a few clues to help them
