WALT infer meaning using an image.

I can answer questions based on an image

I can justify my answers

Task

Answer the questions below in a full sentence.

- 1) What is a habitat? Use a dictionary/online dictionary to support.
- 2) What is happening in the picture? Do you think it is fair?
- 3) Which animals can you see? What country do you think the picture is from?
- 4) Do you think there are any important messages to take from this picture?
- 5) If you were driving the digger, how would you feel? What would you do?

Challenge

Using the image, create three questions of your own. Remember the 5Ws (Who, What, When, Where, Why)
