**WALT: Know that the Buddhist community is made up of monks, nuns and lay people**

Unfortunately I couldn't find a video that summed everything up on the internet. Instead I have three videos which show each aspect of a Buddhist community. Each is quiet long so just watch a bit of each one.

This should help you to understand the 'Sangha' part of the Triple Gem. For today's task you can simply watch the video and make notes on anything you learn which interests you.
