

Thursday 07.05.20 and Friday 08.05.20

Now you are ready to start writing your story. Keep your plan in front of you and the words to help you.

1. Think about some **dialogue** that would also help your story along.
2. Organise work into paragraphs according to your plan and use ideas to create **cohesion** between these.
3. Remember to **describe characters and setting**. The words in the boxes will also be useful.
4. You have Friday to complete and Edit your work.

Using Higher Level Vocabulary: **Fiction Writing**  
**To Describe Characters**

|                                                                                           |                                                                                     |                                                                               |
