

Hola niñas/niños

Well done for all of your hard work this week. Let us start with a maths brain teaser.

Maths Brain Teaser - 6

Copy and complete the following multiplication grids.

x			
	15	24	12
	20	32	16
	30	48	24

x			
	12	36	16
	21	63	28
	3	9	4

x			
	8	0	56
	4	0	28
	3	0	21

x			
	15	10	35
	3	2	7
	12	8	28

x			
	0	12	4
	0	24	8
	0	27	9

x			
	48	12	36
	0	0	0
	24	6	18

For the main task we are going to divide by 10, 100 and 1,000.

Click on the link <https://www.bbc.co.uk/bitesize/articles/ztxy6g8>

Watch the video.

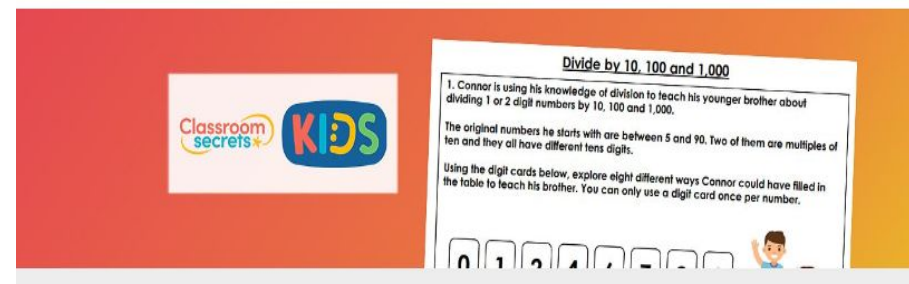

Then scroll down and complete activities 1 and 2

Activity 1

Divide by 10, 100 and 1,000 worksheet

There is one question with multiple parts to complete which involves dividing numbers with one or two digits by 10, 100 and 1,000.

Use the series of digit cards to complete the table.

Activity 2

Divide by 10, 100 and 1,000 interactive game

Answer the five questions in the interactive game and practise the skills you have learnt.

Brain teaser answers -

6.

x	5	8	4
3	15	24	12
4	20	32	16
6	30	48	24

x	3	9	4
4	12	36	16
7	21	63	28
1	3	9	4

x	1	0	7
8	8	0	56
4	4	0	28
3	3	0	21

x	3	2	7
5	15	10	35
1	3	2	7
4	12	8	28

x	0	3	1
4	0	12	4
8	0	24	8
9	0	27	9

x	12	3	9
4	48	12	36
0	0	0	0
2	24	6	18
