

Year 5 - Spelling

30/6/2020

WALT: Revise using plurals, adding '-s', '-es' and '-ies')

Notes:

- Most nouns add '-s' in the plural.
- Nouns ending in a hissing/buzzing/shushing sound add '-es' because it makes it easier to say.
- Nouns ending in '-y' change the 'y' to 'i' and add '-es'
- Several nouns ending in 'o' add '-es' (potato), but newer words just add '-s' (radio).
