

Friday 03.04.20

Edit and improve you diary entry.

Aim high by doing the following

1. Make sure you include some expanded noun phrases.
e.g. the saddened disciples, the rejoicing friends
2. Find the verbs (action words) in your writing and try using the thesaurus to use more challenging vocabulary.
3. See if you can include words from your key lists too;
necessary, opportunity, appreciate familiar, immediately...
