LO: Identify the main countries involved
in WW2

World War 2: 1939 - 1945

Today, you will be learning about the countries involved in WW2.

The countries were divided into 2 groups: the Allied Powers and the Axis Powers.

Your task: write a factsheet about the countries involved in WW2.

On the next page you will find subheadings and a video link that will help you.

Post your fact sheet on Padlet for others to see.
