Oxford Owl

1. Go to https://www.oxfordowl.co.uk/for-school/default
2. Log in using the details you put in last week.
3. Go to 'e-book library'.
4. Select books for 9-11 year olds.
5. Find the correct book.

This week, we are going to read another e-book together: Exploring the Deep by Chloe Rhodes.

This is the front cover:

Task 1

Answer these questions in your book about chapter 1 and 2. Skim the pages again if you need to remind yourself what they're about.

1. What percentage of the Earth's surface is water? What percentage is land?
2. Why do you think we have only been able to map out 5 percent of the Earth's oceans?
3. What is the difference between a sea and an ocean?
4. Summarise the information on pages 4 and 5. What is the chapter about?
5. Write the definition of a *seamount*.
6. What different features can you see on pages 4 and 5? Name 2.

7. What is a trough also known as?
