

Hello Everyone!

What have you been doing this week?

Have you been for a walk?

Have you been busy building with Lego or Duplo?

Have you been creative-drawing, colouring or making something?

If you have please put a photo on [Padlet](#)- Miss Cecilia and Miss Angelika would love to see it!

Grown-ups just click on the link below.

Black Lives Matter

As a school we are incredibly proud of our wonderfully diverse community.

We have created a special page on our website to support you as parents in explaining the Black Lives Matter movement to your children. We hope that you find it useful.

Counting Song

Counting

You will need 5 objects- toys or pieces of fruit, raisins

Put them in a line like in the song.

Point to each one as you count them.

Do you have 5?

Now take one away or eat it!

Count again, how many do you have now?

Keep taking one away and counting until you have none left!

Writing number 5

Can you trace over the number 5 carefully? If you cannot print this sheet you can use your finger on the screen.

All About Number 5 Number Formation Activity

How many fingers are being shown?

How many counters are in the ten-frame?

How many teddy bears are there?

How many bees can you see?

Collage

A collage is a special type of picture made by sticking things onto a piece of paper.

Can you make an under the sea collage?

You can use old bits of paper, foil, pasta, anything you can find!

Share your picture on Padlet.
