

# Hello Rainbow Class!

How are you all doing?

If you celebrate Easter did the Easter bunny leave eggs for you?!

The holidays are over now and the summer term starts today.

Every Monday morning there is going to be a newsletter like this one with fun ideas to do at home.

## Spring and Nature

This is Benjamin Zephaniah-he writes poems.

One of his poems is called- Nature Trail

Listen to JB and Storm from Down on the Farm read the poem.

<https://www.bbc.co.uk/cbeebies/watch/down-on-the-farm-poem>

Watch the poem again

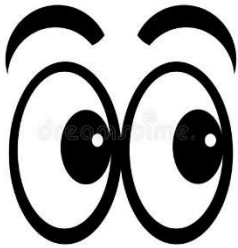

- What animals can you see?
- What plants can you see?

## A Walk in the Park

If you can go outside, go with your grown up for a walk in the park and do a nature trail just like in the poem.

What can you see all around you?

Can you hear any birds singing?

Look at the trees- can you see brand new leaves growing on them?

What sounds can you hear?

Are there any animals?

Can you smell anything too?

Look up to the sky what can you see?

## Butterfly Yoga
