

Today is

THURSDAY

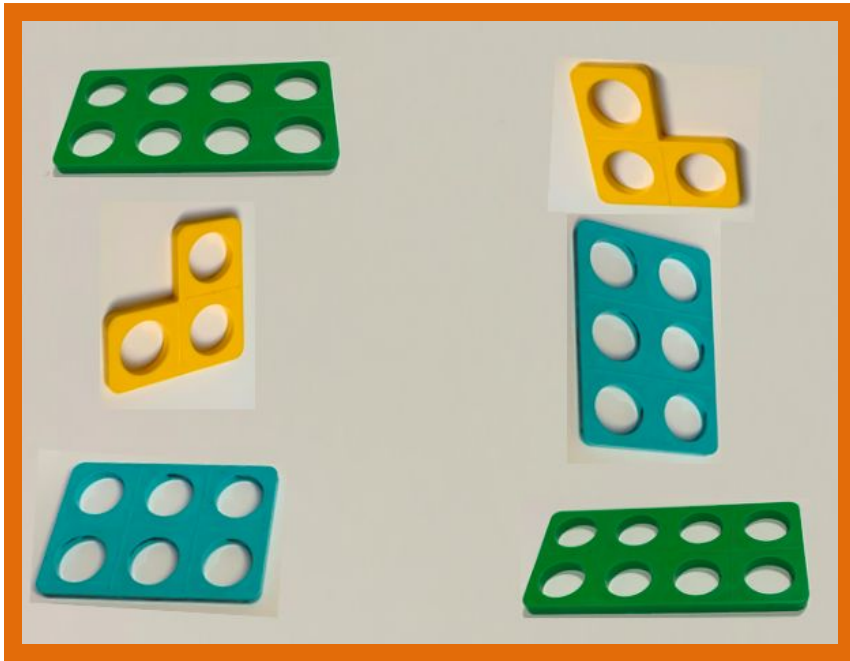

The focus today is doubling

Doubles Facts

We are learning
our double facts.
What do you
notice?

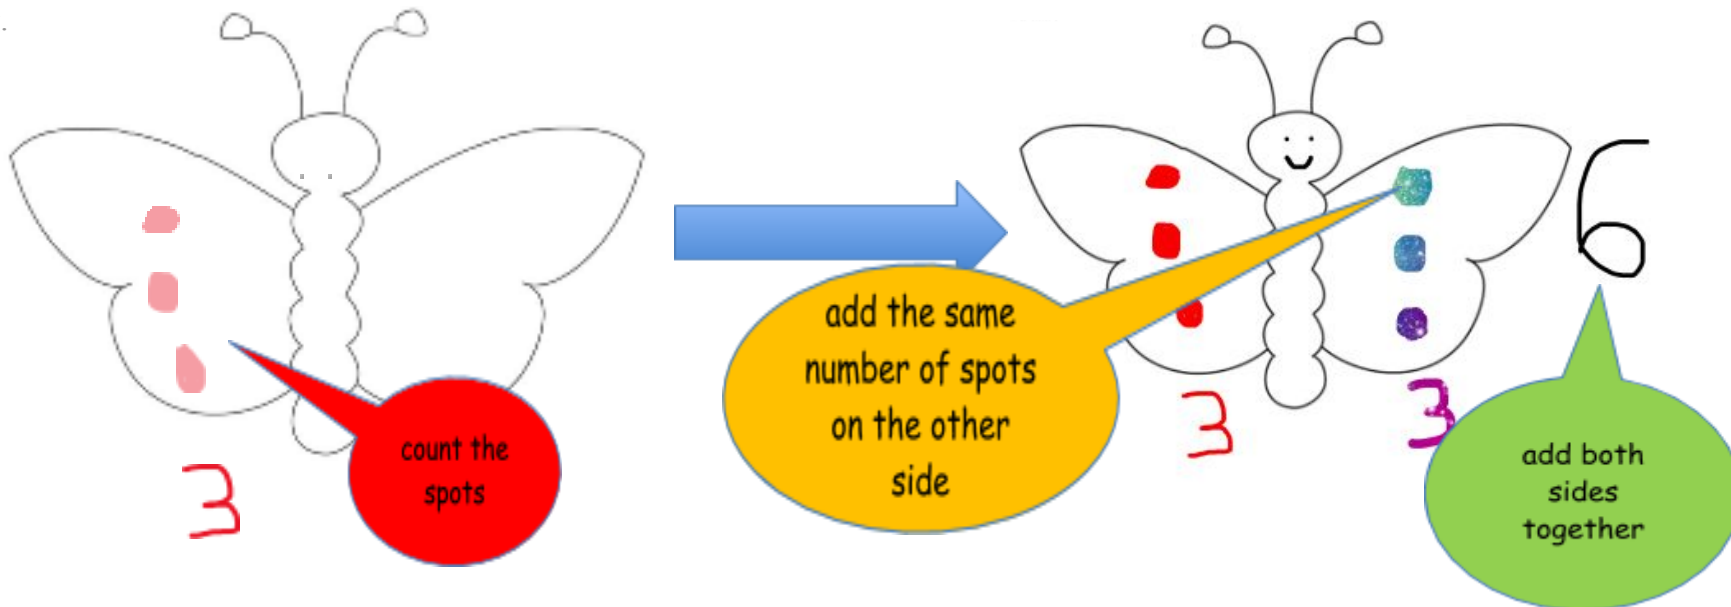

Double 1 is 2
 $1+1=2$
It's all the same

Can you draw a line to connect the matching doubles and write the number sentences?

Can you double the spots on the butterfly's wing and add the total?

e.g.

Double the spots on these insects and add the total
