Click on the link above, watch the video and pause it at 4 minutes and 7 seconds. Then think back on the frames where Anna spends time with some of her relatives.

1. Do you have a relative that is special to you? Why?

remember relative is another word for a family member!

Anna Hibiscus mother and father shared with Anna things they do when they are happy. What does your adult do when they are happy?

Today let's show our appreciation for our special adult or adults by making them a card. Below is a link to a video that may bring you some inspiration!

What will your card say?

Have fun!
