

Today is

Friday

Let's catch the Villain!
Make a wanted poster to
catch the villain!

Wanted

I think it was Evil Pea
because he was so naughty
in Green Class. He is trying
to do naughty things again.
He is green and round with a
cape.

It might look a bit like this.

Draw a picture in your book and write a sentence saying who the villain is and what they look like.

I think it is.....
They are.....

Take a picture of your writing and upload to ILD.
