

Today is Tuesday

This week we will be focusing on the book
'Anna Hibiscus Song'
by Etinuke

Today our focus is differences and similarities.

Click on the links above and watch the segments of the videos. Then discuss the questions with your adult before writing your answers in your book or making a short video for ILD.

1. Do you have relatives in Africa or know someone from that country?
2. How is Africa different from the country we live in?

3. How is Africa similar to the country we live in?

4. Anna lives with her extended family, Who do you live with?

5. Who is special to you, that visits your home to spend time with you?

6. What do you do together?

Challenge:

Draw or paint a picture of you and your family. Label your picture showing who each person is and write a short sentence about what you enjoy doing with your family.

Extended family means that Anna lives with her parents, grandparents, uncles, aunts and cousins.
