

Dear Parent / Guardian

Your child's school has been invited to participate in an Second-hand Bike Market on the 26 February 2019 at Crown Lane Primary School.

The markets provide a great opportunity to pick up a serviced, affordable bike for you or your child or sell an unwanted bicycle, earn a little money and in the process create affordable bike stock for others in your community.

Schedule

- 08:00 - 09:00: take details of people who bring in bikes to sell and attach them to bike
- 08:00 - 09:00: people who have pre-ordered their bikes on our website at <https://www.peddlemywheels.com/market-order-form> can purchase with cash or card
- 09:00 - 15:00 - service bikes that have been brought in to be sold (sometimes bikes need extra work or we get too many in on the day and these bikes get immediately loaded on to our van and taken to our workshop)
- 15:00 - 16:30 - open market to all parents and staff to buy bikes. Card or cash accepted.
- 16:30 - 17:00 - take down and leave

How it works -

Buyers:

- Go to our website and use the Market Order Form - <https://www.peddlemywheels.com/market-order-form> to request the bike(s) you want
- We will reply to confirm that we have got something suitable to bring along
- We bring the bike/s on the day. There is no obligation to buy but we will reserve the bike until 09:00
- Bikes ordered can be purchased between 08:00 and 09:00 and we accept cash or card
- For those that do not pre-order bikes we open the market for general sale between 15:00 - 16:30

Sellers:

- Bring some form of I.D. with you on the day
- Bring your bike/s on the day between 08:00 and 09:00
- Complete the index card/s provided on the day with your personal details and, if you know the sales price you want, add this to the card (remember the idea is to create affordable bike stock for your community)
- The bike gets serviced on the day or taken to our workshop and you will receive an email instructing you that an account has been set up where you can follow the progress of you bike/s and add your bank or PayPal details
- The labour is free but if any parts are needed in the service of the bike/s the cost of these will be deducted from the sales proceeds. This will show on your account
- If your bike is going to cost more to make it roadworthy than the price we could sell it for, we notify you and either you collect it from our premises in Croydon or we use the bike for parts and recycle the rest
- When the bike sells you will be notified by email and you will receive 75% of the sales proceeds less the cost of any parts needed
- A money transfer will be made the Monday after it sells
- We do not accept plastic trikes but do accept scooters

Price Guide for Bikes

If you are selling, please remember the idea is to create affordable bike stock for your community

Bike type	Sales price (£)
Child 12" wheel size	20
Child 14" wheel size	25
