Headteacher: Mr Gavin Farrell

Subject: 3 Teacher model

Date: 10th July 2019

Dear Parents/ Carers,

Crown Lane Primary School is proud to announce that from September 2019 it will be running a 3 teacher model across some year groups.

What is it?

Rather than have two teachers teaching 30 children each, in the 3 teacher model classes will be split into 3 classes of approximately 20 children for the morning lessons before returning to 2 classes in the afternoon. This allows the third teacher to provide additional support through intervention to the children who need it.

Why have it?

In order to provide the best education there is a need for high quality teachers teaching in small groups, this allows more attention to be given to each child, helping to raise their attainment.

Which year groups have it?

Due to budget constraints the school is not yet able to roll out this model across all year groups and so has chosen to focus on the following year groups for maximum impact:

Years 6, 5 and 2 will have 3 teachers all day while years 4 and Reception will have 3 teachers for part of the day.

It is hoped over time that this can be rolled across all year groups and have a really positive impact on your child's educational attainment.

If you have any further questions about this, please do not hesitate to contact me at the school.

Thank you once again for your continued support.

Gavin Farrell
