

Dear Parents/Carers,

This week we will be joining schools and youth settings across the UK in celebrating **Safer Internet Day 2020**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in our school and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. Some of the activities we'll be participating in during the week include:

- An online safety assembly presented by the Crown Lane Digital Leaders
- Free to be Me online safety lesson in class
- Creating our own avatars supported by the Crown Lane Digital Leaders
- An online safety assembly presented by the London Connected Learning Centre (CLC)
- Online safety parent presentation **Tuesday 25th February 2020**

We'd be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this you may be interested in downloading the **free** Safer Internet Day resource pack for parents and carers which is available here: saferinternet.org.uk/sid-parents.

There are [top tips](#), [a quiz](#) and [films](#) which you can use at home with your child. We have also attached **Conversation Starters** and a **Family Internet Safety Plan** that you might find useful.

Some other resources which you may find helpful in supporting your child online are:

- Advice for parents and carers from [Childnet](#)
- Tips, advice and guides for parents and carers from the [UK Safer Internet Centre](#)
- Guides on popular apps and games from [NetAware](#)
- Reviews and information about games, apps, TV shows and websites from [Common Sense Media](#)
- Help on using parental controls and privacy settings from [Internet Matters](#)
- Information and reporting of online grooming or abuse from [CEOP](#)

Online safety is an important issue which as a school we're committed to teaching our pupils about.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher, myself or Mr. Farrell, our Designated Safeguarding Lead.

Kind regards,

Miss Bell
