Headteacher: Mr Gavin Farrell

19th October 2020

Dear Parents / Carers

I am writing to advise you that a member of our school community has tested positive for COVID-19. We know that you may find this concerning but we are continuing to monitor the situation and are working closely with Public Health advisors.

This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The staff and children who may have been in direct, prolonged contact with the confirmed case have received a separate letter and instructions.

The rest of the school remains open and your child should continue to attend if they are well.

As your child is not a close contact, they do not need to stay away from school unless they are showing any of the following symptoms of COVID-19:

- a high temperature – this means they feel hot to touch on their chest or back, and/OR
- a new, continuous cough – this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours, and/OR
- a loss of, or change in, their normal sense of taste or smell (anosmia).

If your child shows any of these symptoms, they should not attend school and they should be tested for COVID-19 (ideally within 5 days of the onset of symptoms).

They should remain absent for at least 10 days or until they receive a negative test result. Everyone else in your household should self-isolate for 14 days OR until you receive a negative test result for your child.

Please see the NHS.UK website for more information on testing:

If you are concerned about your child's health, please refer to the NHS 111 website or telephone NHS 111 or your GP.

The safety and welfare of all our staff and children remains our top priority. We continue to undertake thorough cleaning around the whole school and a deep clean will be carried out in the appropriate areas of school following this positive case.
